

Taking the Next-Gen ACCUPLACER?

How assessment with ACCUPLACER works...

To ensure placement in the appropriate courses, some students may be required to take the Next-Gen ACCUPLACER. This assessment measures students' skills in math, reading, and writing. As part of the multiple measures approach to placement, ACCUPLACER can lead to proper placement, which leads to student success.

Missed the mark the first time taking ACCUPLACER?

If a student isn't satisfied with the initial results, the assessment may be taken free of charge twice during an enrollment period with the option to retake one subject area instead of all three.

Students are strongly encouraged to spend time preparing before taking or retaking the ACCUPLACER, and the following resources will be helpful:

Name	Web Address	SUBJECT MATTER COVERED		
		Reading	Writing	Math
ACCUPLACER Online Course and Practice Tests	https://www.longsdalepub.com/accuplacer/ This site is made available to you by RSC. Please contact Enrollment and Specialized Testing (EAST) for more information on how to access the material. EAST is located in the Student Services Building, upstairs in room 204. You can also call EAST at (405) 733-7320.	X	X	X
