INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Rose State College Foundation, Inc.

We have audited the accompanying financial statements of Rose State College Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Rose State College Foundation, Inc. as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

ROSE STATE COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2020 and 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization – Rose State College Foundation, Inc. (the “Foundation”) is a nonprofit organization whose mission and principal activities are to promote the educational and cultural interest of Rose State College (the “College”), a public institution of higher education. The Foundation’s revenues and other support are derived principally from contributions and its activities are conducted in the Midwest City, Oklahoma, area. Members of the Board of Governors are associate members of the Board of Trustees and are nonvoting members.

Although the College does not control the timing or amount of receipts from the Foundation, the majority of the Foundation’s resources and related income are restricted by donors for the benefit of the College. Therefore, these restricted resources held by the Foundation can only be used by, or for the benefit of, the College. The Foundation is considered a component unit of the College and is discretely presented in the College’s financial statements.

Financial Statement Presentation – The Foundation follows the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”). The ASC is the single source of authoritative guidance for accounting principles generally accepted in the United States of America (“U.S. GAAP”) for nongovernmental entities. The Foundation’s financial statements have been prepared on the accrual basis of accounting and to ensure the observance of limitations and restrictions placed on the use of available resources, the Foundation maintains its accounts in accordance with the principles and practices of fund accounting. All inter-fund activities have been eliminated in the accompanying financial statements.

Cash and Cash Equivalents – The Foundation considers all highly liquid investments with a maturity of three months or less when purchased, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents.

Property and Equipment – Property and equipment additions over \$7,000 are capitalized on a straight-line basis over the estimated useful life of each asset, with the exception of computer hardware and software additions, which are not capitalized unless the addition exceeds \$20,000. At June 30, 2020 and 2019, all property and equipment was fully depreciated.

Investments – Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statement of financial position. Investment in the Commonfund is valued at fair value based upon the underlying fair value of the funds’ equity and debt securities. Net investment gain/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less investment management and custodial fees.

Collections – All collections of works of art, historical treasures, and similar assets are capitalized. Items added to the collections are capitalized at cost if purchased or at estimated fair value on the acquisition date, if donated. Collection items sold or removed are reported as unrestricted or temporarily restricted gains or losses depending on donor stipulations, if any, placed on the items at the time of acquisition.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2020 and 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Net Asset Classifications – Net assets, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

The Foundation is required to report information regarding its financial position and activities according to two classes of net assets as follows:

Net Assets Without Donor Restrictions – Consists of amounts that are available for use in carrying out the supporting activities of the Foundation and are not subject to donor-imposed stipulations. The Board had designated \$28,457 and \$28,862 of the Foundation's net assets without donor restrictions for specified purposes as of June 30, 2020 and 2019, respectively.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time, or are maintained in perpetuity by the Foundation. When the donor-imposed stipulation ends or the Foundation satisfies an action, the Foundation reclassifies net assets with donor restrictions to net assets without donor restrictions.

The Foundation reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends, or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without restrictions and reported in the statements of activities as net assets released from restrictions.

Revenue and Revenue Recognition – Revenue is recognized when earned. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received.

Contribution Revenue – Contributions, including unconditional promises to give, are recognized as revenues in the period received by the Foundation. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Transfers of assets under conditional promises, which are received by the Foundation prior to fulfilling these conditions, are recorded as a liability (i.e., unearned revenue) until the conditions are substantially met.

Allocation of Expenses – The Foundation accounts for direct support to Rose State College, such as scholarships and grants/gifts as program expenses. All other expenses are considered to be supporting services expenses. The majority of supporting services expenses are in-kind expenses for salaries and rent (see Note 7 and Note 8).

ROSE STATE COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2020 and 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Income Taxes – The Foundation is organized as an Oklahoma nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as organizations described in Section 501(c)(3), qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi), and has been determined not to be a private foundation under Sections 509(a)(1) and (3). The Foundation is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Foundation is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. The Foundation has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

The Foundation believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The Foundation would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred. Federal and state income tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to examination.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosed contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial Instruments and Credit Risk – The Foundation manages deposit concentration risk by placing cash and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the Foundation has not experienced losses in any of these accounts. Investments are made by diversified investment managers whose performance is monitored by management and the Investment Committee of the Board of Trustees. Although the fair values of investments are subject to fluctuation on a year-to-year basis, management and the Investment Committee believe that the investment policies and guidelines are prudent for the long-term welfare of the Foundation.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2020 and 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Accounting Standards Issued But Not Yet Adopted – In February 2016, the FASB issued ASU No. 2016-02, *Leases*. The new standard establishes a right of use (ROU) model that requires a lessee to record a ROU asset and a lease liability on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. ASU 2016-02 is effective for fiscal years beginning after December 15, 2020. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, practical expedients are available. The Foundation has not yet determined the potential effects of the new standard on the financial statements, if any.

Subsequent Events – The Foundation has evaluated subsequent events through August 24, 2020, the date on which the financial statements were available to issue. There were no subsequent events requiring recognition or disclosure.

Reclassifications – Certain reclassifications have been made to the prior year financial statements to conform to classifications used in the current year.

NOTE 2 – FAIR VALUE MEASUREMENTS

The Foundation measures its investments at fair value using the net asset value (NAV) per share practical expedient.

The following table presents investments measured at fair value based on NAV per share at June 30, 2020 and 2019:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2020 and 2019

NOTE 2 – FAIR VALUE MEASUREMENTS (Cont'd)

Multi-Strategy Bond Fund (Bond Fund) – The investment objective of the Bond Fund is to offer an actively managed, multi-manager investment program that will provide, in a single fund, broad exposure to global debt markets. The Bond Fund seeks to add value above the return of the broad U.S. bond market over a full market cycle, as measured by Barclays Capital U.S. Aggregate Bond Index and, due to its strategy and manager diversification, to reduce volatility in comparison to that of investing in the index.

The redemption of these investments is not in structured liquidation. Instead distributions are received through the liquidation of the underlying assets of the fund.

Multi-Strategy Equity Fund (Equity Fund) – The investment objective of the Equity Fund is to offer an investment program that will provide, in a single fund, all of the strategy and manager diversification that an endowment would normally require for its equity allocation. The Equity Fund seeks to add value over long periods of time, above the return of the U.S. equity market as measured by the S&P 500 Index and, due to its strategy and manager diversification, to reduce volatility in comparison to that of investing in the index.

The redemption of these investments is not in structured liquidation. Instead distributions are received through the liquidation of the underlying assets of the fund.

NOTE 3 – NET INVESTMENT RETURN (LOSS)

Net investment return (loss) consists of the following for the years ended June 30, 2020 and 2019:

	<u>2020</u>	<u>2019</u>

ROSE STATE COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2020 and 2019

NOTE 4 – HISTORICAL PROPERTIES

Historical properties consist of the following at June 30, 2020 and 2019:

	<u>2020</u>	<u>2019</u>
Historical Properties		
Atkinson Heritage Center	\$ 1,400,000	\$ 1,400,000
Atkinson Land	850,000	850,000
Atkinson Pony Barn	613,000	613,000
Artwork- Sculpture	<u>7,000</u>	<u>7,000</u>
	<u>\$ 2,870,000</u>	<u>\$ 2,870,000</u>

These properties are not depreciated since they have cultural and historical value that is worth preserving perpetually, and the Foundation is protecting the service potential of the properties.

NOTE 5 – ENDOWMENT DISCLOSURES

The Foundation's endowment consists of several individual funds established for a variety of purposes. As required by U.S. GAAP, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

In accordance with the requirements of the Oklahoma Uniform Prudent Management of Institutional Funds Act (OUPMIFA), the Foundation will report the market value of an endowment as perpetual in nature. As a result, the Foundation classifies as permanently restricted 1) the original value of gifts donated to the endowment, 2) the original value of subsequent gifts donated to the endowment, and 3) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. The remaining portion of the donor-restricted endowment is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by OUPMIFA. In accordance with OUPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The duration and preservation of the fund;
- 2) The purposes of the Foundation and the donor-restricted endowment fund;
- 3) General economic conditions;
- 4) The possible effect of inflation and deflation;
- 5) The expected total return from income and the appreciation of investments;
- 6) Other resources of the Foundation; and
- 7) The investment policies of the Foundation.

ROSE STATE COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2020 and 2019

NOTE 5 – ENDOWMENT DISCLOSURES (Cont'd)

Return Objectives and Risk Parameters

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by the endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results which generate a dependable, increasing source of income and appreciation while assuming a moderate to conservative level of investment risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate of return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives while reducing risk to acceptable levels.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Foundation has a policy of appropriating for distribution each year a Board approved percent of its endowment fund's fair value as of the immediately preceding July 1. Permitted annual disbursements for scholarships from permanent endowment fund earnings are reviewed by the Budget and Investment Committee annually and submitted to the Board for approval. In establishing this policy, the Foundation considered both the short-term and the long-term expected return on its endowment. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets held in perpetuity or for specified term as well as to provide additional real growth through new gifts and investment return.

ROSE STATE COLLEGE FOUNDATION, INC.

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2020 and 2019

NOTE 8 – RELATED PARTY TRANSACTIONS

The Foundation and the College are related parties that are not financially interrelated organizations. The College authorizes the Foundation to solicit contributions on its behalf. In the absence of donor restrictions, the Foundation has discretionary control over the amounts and timing of its distributions to the College. The Foundation's contributions to the College during the years ended June 30, 2020 and 2019 are reported in the Foundation's financial statements as scholarships, awards, and programs of \$802,622 and \$212,375, respectively. At June 30, 2020 and 2019, the Foundation had scholarship, awards and programs payable to the College of \$27,998 and \$28,026, respectively.

The Foundation receives various administrative services and office space from the College at no cost. The Foundation's office space is provided by the College. During 2020 and 2019, \$8,000 was recorded as in-kind rent. The Foundation's payroll cost for employees handling all day-to-day operations are paid by the College. During 2020 and 2019, approximately \$105,000 and \$113,000, respectively, was recorded as contributed services, which represent the Foundation's portion of the staff's salaries. These amounts are recorded as in-kind contributions on the accompanying statements of activities.

The Foundation has entered into an operating lease with the College for the Atkinson Heritage Center property. The purpose of the lease is for the College to use, operate, and maintain the property. The term of the lease is for a period of 99 years. In consideration for use of the property, the College is to pay a nominal rent amount to the Foundation and is to pay all executor costs (maintenance, insurance, etc.) related to the property.

NOTE 9 – LIQUIDITY AND AVAILABILITY

The Foundation maintains a policy of structuring its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

The following table provides information about the Foundation's liquidity as of June 30, 2020 and 2019:
