Notes:

At OSU, the I, D and S requirements are waived with the Associates in Science Degree.

[a] PHYS 2444 and 2411 at RSC will count toward the BS degree at OSU.

[b] Must complete 60 credit hours (minimum) at OSU for the BS degree.

[c] Equivalent courses exist at RSC that will count toward the BS degree at OSU.

Before transferring to OSU, have the RSC Registrar send an official transcript to the OSU Admissions Office with any degrees earned noted on the transcript. If you have not completed the requirements for an associate degree, talk with your OSU Academic Advisor about Reverse Transfer options to use OSU coursework to complete your RSC associate degree.
