INTRODUCTION

Rose State College presents this report in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, as modified by the Higher Education Opportunity Act, and Oklahoma Campus Life and Safety and Security Taskforce's initiatives. It comprises of statistics for crimes reported over the past three years which took place on campus; in on-campus student accommodation; in off-campus property controlled by the College; and on public property close to the Campus. Additionally, the report outlines institutional policies on culture of security, including policies on alcohol and drug use, crime prevention, crime reporting, sexual assault, missing persons, and further crucial areas.

Reports of campus crime, arrests and referrals are inclusive of those disclosed to the Midwest City Police Department, appointed campus security officials, and local law enforcement agencies. An annual update, drafted in an email notification, is shared with all enrolled students, faculty, and staff, directing them on how to access the Security Report online. Printed copies can also be obtained from Rose State College Susan Loveless Center (Room 100B).

The policy and procedures enlisted herein are designed to ensure campus safety and security for students, faculty, staff, and visitors. Achieving the principles of academic freedom, equal opportunity, and human dignity, Rose State College is committed to making judgments on individual merit, free from any form of discrimination.

Discrimination or harassment against any individual based on race, sex, age, religion, disability, sexual orientation, or veteran status is prohibited. Rose State College adheres to all federal and state laws, orders, and regulations around nondiscrimination, equal opportunity, and affirmative action. This policy applies to various operation areas, including but not limited to: admissions, employment, financial aid, and educational programs.

We have placed clear avenues to address complaints alleging discrimination. Public members are advised to channel their grievances or inquiries to the College's Associate Vice President of Human Resources/AAO:

REPORTING A CRIME OR EMERGENCY

All community members, including students, staff, faculty, and visitors, are urged to report incidents of crime or public safety concerns to the Rose State College security staff, Midwest City Police, or Campus Security Authorities.

While students and visitors should dial 911 or use emergency telephones located around campus, College employees also have access to the Rave Panic Button app. This app provides immediate notification for emergencies, such as active assailants, fires, or medical issues, directly to 9-1-1 and relevant campus personnel.

For general, non-urgent inquiries, contact the Campus Security Office at 405-733-7313 or the Security Coordinator at 405-736-0329. Promptly reporting suspicious activity is essential to ensure timely community warnings and accurate inclusion in the yearly disclosure report.

EMERGENCY RESPONSE

Upon receiving a call or Rave Panic Button alert from a staff member, Midwest City Police will investigate the incident. The Panic Button ensures that 9-1-1 dispatch and designated campus personnel are immediately informed with real-time location data. Any crime-related incidents reported to the Campus Security Office will also be forwarded to the Midwest City Police Department for further action. In cases of sexual offenses or emergencies requiring external assistance, on-site staff and the Midwest City Police will provide access to additional support services.

ANNUAL DISCLOSURE OF CRIME STATISTICS

In accordance with federal regulations, Rose State College compiles and reports annual crime statistics on a calendar-year basis, following the FBI's Uniform Crime Reporting (UCR) guidelines. The report includes a three-year overview of on-campus crimes and referrals for disciplinary actions under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. This also encompasses offenses defined under the Violence Against Women Act (VAWA), as well as violations related to liquor, drug laws, and illegal weapons possession.

The report extends to off-campus locations and properties owned or controlled by the College, along with public areas adjacent to campus, in compliance with Clery Act geographical designations. Data is obtained from the Midwest City Police Department and Oklahoma County Sheriff's Department, with crimes recorded based on the year of reporting.

For definitions of Clery Act-related properties—such as Campus Property, On-campus Student Housing, Non-Campus Property, and Public Property—refer to page 10. Appendix B includes a map that outlines these areas.

The crime statistics tables in the following sections are aligned with federal requirements effective as of July 1, 2000.

Daily Crime Log

A daily log of all reported criminal activity within the College's Clery Geography is available by contacting the Office of Campus Operations at (405) 736-0329 or Campus Security at (405) 733-7313.

Privacy

To ensure confidentiality, personal information is redacted from both the daily crime log and the annual crime statistics.

Rose State College Annual Crime Statistics

CLERY ACT REPORTING DESCRIPTIONS

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

The Jeanne Clery Act (20 USC § 1092(f)), originally the Campus Security Act, is a vital federal law requiring U.S. colleges and universities to report crime statistics and security information for areas both on and adjacent to their campuses. Administered by the U.S. Department of Education, this legislation is tied to federal financial aid eligibility and applies to both public and private higher education institutions.

The law was first amended in 1992 to establish specific rights for campus sexual assault victims. In 1998, the law was renamed in honor of Jeanne Clery and expanded its reporting requirements. Subsequent amendments in 2000 and 2008 added provisions for sex offender notifications, campus emergency response protocols, and protections for victims and whistleblowers.

Crime Location Categories

Rose State College categorizes crimes by the location of their occurrence, in accordance with Clery Act guidelines:

On-Campus: Any building or property owned or controlled by the College within a contiguous area that supports educational purposes, including residence halls.

On-Campus Student Housing Facility: Residential facilities located within the campus boundaries and owned or controlled by the institution.

Non-Campus Building or Property: Buildings or properties owned or controlled by officially recognized student organizations or that support institutional purposes but are outside the main campus area.

Public Property: Streets, sidewalks, and parking areas that are on or adjacent to the campus and are accessible to the public.

A map of the College's Clery geography may be found in Appendix B.

Hate Crimes

Hate crimes, which are offenses motivated by the victim's perceived or actual race, religion, gender, sexual orientation, ethnicity, or disability, are also included in the crime statistics. These crimes encompass offenses such as larceny, simple assault, intimidation, and destruction of property.

Campus Policy Violations

Individuals who violate campus policies related to liquor laws, drug laws, or illegal weapons possession, but are not arrested, may still face campus disciplinary actions. Such referrals do not imply a legal violation but are included separately from arrests or citations in the crime report. Data for disciplinary referrals is provided by the Director of Service Learning and Student Conduct.

Classifying Crime Statistics

Rose State College classifies criminal offenses in accordance with the FBI's Uniform Crime Reporting (UCR) guidelines and the Clery Act. For crimes such as murder, manslaughter, sex offenses, and aggravated assault, the number of victims is recorded. For example, if one aggravated assault incident involves three victims, the statistics reflect three assaults.

Crimes such as robbery, burglary, larceny, and arson are recorded by the number of incidents, not the number of victims. For example, if multiple students are robbed in a single incident, it counts as one robbery. Each stolen motor vehicle is recorded as one theft incident.

For liquor law, drug law, and illegal weapons violations, each individual arrested is counted in the statistics. If an arrest involves multiple offenses, the hierarchy rule is applied, and only the most serious offense is reported (e.g., drug law violations are prioritized over liquor law violations).

Disciplinary Referrals

The "Referred for Disciplinary Action" section reflects the number of individuals referred to the campus judicial system for violations of liquor, drug, or weapons laws. These referrals are handled by the Director of Service Learning and Student Conduct, with records maintained accordingly.

Hate Crime Statistics

Hate crime data is integrated into each Clery-reportable category. Bias-motivated simple assaults resulting in bodily injury must be reported as hate crimes, even if they are not required in other sections of the compliance document.

ANNUAL FIRE SAFETY REPORT

As per the Clery Act, Rose State College is mandated to disclose yearly fire statistics along with insights on fire safety and prevention.

The Village @ Rose State serves as the on-campus housing at Rose State College, offering apartment-style accommodations for 180 students, distributed across four buildings. Additionally, a communal clubhouse accommodates the Residence Life staff offices.

Biannually, The Village conducts two fire drills each building in the spring and fall semesters. As of this writing, the two most successful fire drills occurred on September 6, 2024 and April 10, 2025.

Fire Statistics

The college maintains a systematic fire log, currently devoid of entries due to no reported fires in campus housing in 2022, 2023, and 2024. Requests for the log can be directed to the Security office in SLC 109.

Fire Safety and Emergency Evacuations

Our Coordinator of Safety, Security, and Risk Management collaborates with the Midwest City Fire Inspection Division for all fire prevention and protection endeavors at the college. They conduct periodic inspections of all campus facilities to identify and eliminate potential fire risks, ensuring functional fire and life-safety systems. Further, all life safety devices are inspected annually by a vendor specializing in life safety equipment. The Coordinator also provides staff training in fire extinguisher use, hazard elimination, and fire emergency protocols, acting as the key contact between the college and the local fire department. You can reach them at 405-736-0329.

Campus Fire Safety Month

Each September, the Coordinator of Safety, Security, and Risk Management works with the Director of Residence Life and Student Affairs and the Midwest City Fire Department to organize fire safety training programs, fire drills in residence facilities, and share fire safety tips via social media.

Mandatory Fire Drills

Each residence life facility is mandated to carry out fire drills within the first month of occupancy, coordinated and assessed by the Coordinator of Safety, Security, and Risk Management and the Director of Residence Life.

Residence Staff Training

Residence life staff receive specialized training on fire extinguisher use, evacuation procedures, fire alarm activation, hazard identification, and handling fire safety equipment at the beginning of the fall and spring semesters.

Upon the Sounding of the Fire Alarm

1. Move quickly and quietly to the exit for your area. In an orderly fashion, go to the designated waiting area for further instructions.
2. Wear a coat and shoes. Carry a towel in case of smoke. Keep these items easily accessible for emergency use. Bring along your keys and ID, if it is safe to do so.
3. If you are away from your room when the alarm sounds, proceed to the nearest exit without returning to your room.

Do not use elevators during a fire emergency. Use stairways only.

Fire Prevention Policies

If you use combustibles in decorating your room, such as fabrics, cardboard or similar materials, please ensure the items are flame-proof. Purchase only UL- listed or FM-approved material marked "flameproof"

or “flame retardant”. The following items are deemed fire hazards by the Coordinator of Safety, Security, and Risk Management and are strictly prohibited within all residence life facilities:

- Fireworks or explosives,
- Smoking, tobacco or simulated tobacco products, and all vaping devices,
- Use of incense burning products, and
- Open flame devices like lanterns, candles, potpourri pots, or warmers with votives or canned fuel.

Future Life Safety upgrades and improvements

The life safety systems at The Village function as intended, without any immediate plan for an upgrade as of September 2025. However, the College did purchase and distribute 2.5-pound fire extinguishers to all residents in October 2023.

Reporting Fires

All fires should be reported to the Midwest City Fire Department by dialing 911. It is important to remember that your safety comes first, therefore, only dial 911 once you have reached a safe and secure location.

Once 911 has been informed of the situation, contact the Coordinator of Safety, Security, and Risk Management at (405) 736-0329 or Campus Security (405) 733-7313.

EMERGENCY NOTIFICATIONS AND TIMELY WARNINGS

Emergency Notifications

Rose State College issues Emergency Notifications when an immediate or impending threat to the health or safety of students, employees, or visitors is identified. Examples of potential threats include severe weather (e.g., tornadoes), an armed intruder, widespread illness outbreaks, or civil disturbances. The decision to issue an alert is made by the Executive Policy Group, under the authority of the College President or designee, as outlined in the Campus Emergency Response Plan. This decision is based on information from internal and external sources, alongside assessments of existing mitigation efforts.

In addition to the Raider Alert system, which disseminates emergency information via text, email, and voice calls, Rose State College employees have access to the Rave Panic Button. This app allows employees to immediately notify 9-1-1 and designated campus personnel of critical incidents such as an active assailant or fire, streamlining response efforts by sending real-time location data. Pre-approved emergency messages are also loaded into the Raider Alert system to expedite communication through Rose State College's website and social media channels.

Timely Warnings

In situations where an immediate Emergency Notification is unnecessary but an ongoing or significant threat exists, Timely Warnings are issued. The Coordinator of Safety, Security, and Risk Management, in coordination with the Executive Director of Marketing and Public Relations and Midwest City Police, evaluates incidents such as ongoing burglary patterns, vehicle thefts, or unresolved violent crimes within the College's Clery geography to determine the need for a Timely Warning. Information provided in these warnings aims to enhance safety while protecting the integrity of ongoing investigations.

Timely Warnings are disseminated through the Raider Alert system, as well as the College's website and social media platforms, when deemed necessary.

Raider Alert: Notification via Cellular Phone and Email

Upon enrollment or employment, all faculty, staff, and students are automatically registered for the Raider Alert system, which provides critical notifications via text, email, and voice call. Staff members are also encouraged to use the Rave Panic Button for emergency reporting. Members of the campus community are encouraged to keep their contact information up to date by visiting the following URL: <https://www.getrave.com/login/rose>. Should you have any issues accessing the app, contact the Coordinator of Safety, Security, and Risk Management via email at lstudebaker@rose.edu.

Emergency Phone System

The College maintains an extensive network of emergency phones in classrooms and across campus, clearly marked with an orange "For Emergency Use Only" sticker. These phones provide immediate communication with Midwest City dispatch and allow for notifications to be issued to individual classrooms or entire buildings.

Notifying the Surrounding Community

In the event of an emergency that may affect the local community, the Coordinator of Safety, Security, and Risk Management collaborates with the Midwest City Emergency Manager, Police Department, and Fire Department to coordinate notifications to the surrounding area.

Website and Social Media Notification

Emergency updates are posted on Rose State College's website and shared via the College's social media channels, including Twitter (@RoseState) and Facebook.

VOLUNTARY CONFIDENTIAL REPORTING

We urge everyone who witnesses or becomes a victim of a crime to report the incident immediately by dialing 911 (or 9-911 from a college phone). Confidential reporting for the annual crime statistic disclosure can be done via various designated campus authorities.

In Oklahoma, police reports are public records and cannot be held in confidence by the Midwest City Police. However, the college strongly encourages professional counselors to inform individuals about the on-campus options to confidentially report crimes voluntarily. This could involve contacting Midwest City Police Officers on-campus, Rose State College Campus Security Authorities, or providing guidance to individuals for independent reporting.

Campus Security Authorities

The Clery Act defines Campus Security Authorities (CSAs) as campus officials with a responsibility to relay allegations of Clery Act crimes reported to them. CSAs are designated in the following categories:

- Rose State College Security Department.
- Individuals tasked with campus security but are not part of a campus police or security department.
- Individuals mentioned in the campus security policy.
- Any official significantly responsible for student and campus activities.

The CSA program is overseen by Rose State College's Coordinator of Safety, Security, and Risk Management. The coordinator's office contains all relevant CSA program documentation, including reports, a comprehensive CSA roster, and procedures. The program's policies and procedures last underwent revisions in March 2020.

CAMPUS LAW ENFORCEMENT AUTHORITY AND JURISDICTION

The safety of the Rose State College community is a coordinated effort between contracted security officers and Midwest City Law Enforcement Officers, ensuring comprehensive security across campus.

Contract Security Officers

Our Contract Security Officers provide 24/7 campus coverage. CLEET-certified, these officers handle duties such as traffic control, access management, surveillance via closed-circuit cameras, and personalized security services, including on-campus escorts. However, they do not possess law enforcement authority and are not involved in criminal investigations. In emergencies, employees can use the Rave Panic Button to instantly notify security and law enforcement.

Midwest City Police Officers

Rose State College benefits from part-time Midwest City Police Department (MWCPD) officers who offer complete law enforcement services on campus. These officers have full authority under Oklahoma state law to investigate criminal activity and significant policy violations involving students, employees, and faculty. Their jurisdiction includes all College-owned or controlled properties and adjacent streets. This collaborative arrangement is formalized under a Memorandum of Understanding, effective since September 24, 2019.

Interagency and Inter-local Coordination

Rose State College maintains strong relationships with the Midwest City Police Department, Oklahoma County Sheriff's Department, Oklahoma Highway Patrol, and other state and federal law enforcement agencies. These collaborations include joint investigations, patrol initiatives, special event coordination, and crime reporting.

Security and Access to Campus Facilities

Campus facilities are generally accessible to students, staff, and visitors during business hours (8 AM to 9 PM, Monday to Friday), with additional access for scheduled events on weekends and holidays. The College monitors and controls access to ensure safety. Public facilities, such as the Tanenbaum Aerospace and Cybersecurity Center and the Jeanie Webb Student Union, are open for community use during certain hours.

Access to on-campus student housing at The Village @ Rose State is controlled via a gated system, and evening access requires a residence card. Students have individual keys for their apartments, and overnight guests are permitted following identity verification and background checks.

Maintenance of Campus Facilities

Campus facilities' maintenance and landscaping obligations prioritize minimizing hazardous conditions. Contract security and Midwest City Police Officers conduct regular campus rounds, reporting incidences of faulty lighting or unsafe physical conditions to the Physical Plant for prompt rectification. The College community is also encouraged to report equipment malfunction, overgrown foliage, and other security issues to the Security office or the Operations Department.

SECURITY AWARENESS AND CRIME PREVENTION PROGRAMS

Rose State College actively works to prevent crimes by providing education and resources to students, faculty, and staff. At Raider Takeoff, students and parents receive information about campus crime, safety resources, and prevention programs. Additionally, we host an annual Safety Week that features presentations from local emergency services on various safety topics.

Training and Awareness Initiatives

Throughout the year, Rose State College conducts numerous training and security awareness seminars, including during Raider Takeoff, Convocation (a bi-annual faculty/staff orientation), and security briefings and drills. The Rave Panic Button, available to employees, is emphasized in training as a tool to quickly notify 9-1-1 and campus security of emergencies like active shooters or medical crises. October's Domestic Violence Awareness Month includes programs focusing on domestic abuse, sexual assault, and stalking, with specific training sessions for students, faculty, and staff.

Campus Safety Committees

Rose State College has established the Campus Safety and Security Advisory Committee (CSSAC) and the Threat Assessment and Behavioral Intervention Team (TABIT) to enhance campus safety. The CSSAC advises leadership on reducing crime, while TABIT assesses and intervenes in cases of concerning student behavior, particularly when mental health or safety concerns are involved.

Off-Campus Criminal Activity

Although Rose State College does not have off-campus housing for student organizations, we maintain strong relationships with local law enforcement to monitor and investigate any criminal activity involving students. The Coordinator of Safety, Security, and Risk Management regularly communicates with Campus Security and the Midwest City Police Department to ensure that any off-campus crimes involving students are thoroughly addressed. Any violations may be referred to the Coordinator of Safety, Security, and Risk Management for further action.

Emergency Response Plan

Rose State College has developed a comprehensive Emergency Response Plan in compliance with federal and state laws. This plan, overseen by the President or the Executive Policy Group, details immediate response and evacuation procedures for the campus. The plan is complemented by training programs that enhance campus security protocols.

During an emergency, communication is primarily managed through the Raider Alert system, which delivers notifications via text, email, and voice. The Rave Panic Button, available to staff, also allows for immediate communication with emergency responders, providing real-time location data during critical incidents. If additional information is required, the College can disseminate updates through public media outlets, NOAA emergency radios, and the telephone alert directory.

The College also conducts regular disaster response drills to ensure preparedness. These exercises often simulate real-world scenarios, such as evacuations or shelter-in-place actions. Through these ongoing evaluations, Rose State College continuously improves its ability to effectively respond to emergencies.

FEMA

ALCOHOL, DRUG, AND CONTROLLED SUBSTANCES EDUCATION

Rose State College upholds the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989, advocating for a healthy and safe environment that rejects substance abuse. Recognizing the significant impact of substance abuse on individual health, academic performance, and community well-being, the College enforces stringent policies regarding the use of alcohol and illicit drugs.

Our substance abuse prevention efforts focus on:

- Providing accurate information on the effects of drug and alcohol use,
- Encouraging healthy recreational activities as alternatives to substance use,
- Promoting stress management and coping skills, and
- Collaborating with campus leaders to cultivate a supportive, healthy environment.

Alcohol and Drug Education Initiatives

Rose State College offers multiple opportunities for education and awareness throughout the year. During Safety Week each spring, students are provided with safety tips, including information about the risks of drug and alcohol use. In partnership with the Midwest City Police Department, the College conducts live drug dog demonstrations and sessions on the dangers of driving under the influence (DUI), incorporating victim impact stories and simulated impaired driving activities.

The College also offers alcohol education courses featuring interactive games and staff-led presentations, reinforcing the consequences of alcohol misuse and promoting responsible behavior.

Substance Abuse Health Impact

The effects of substance abuse range from mild to life-threatening. Prolonged use of substances, including alcohol, significantly impacts both mental and physical health. Pregnant women who use alcohol or drugs risk harming their unborn children, leading to potential miscarriages, low birth weight, or brain damage.

Alcohol

Alcohol is a depressant that impairs brain function and motor skills even in small amounts. Its effects include decreased coordination, slower reaction times, and poor judgment, which can lead to accidents and risky behavior. Prolonged or heavy consumption can cause liver damage, cardiovascular problems, and addiction. Alcohol is also associated with aggressive behavior and crimes like domestic violence. Excessive intake can cause alcohol poisoning, which may lead to coma or death due to respiratory or cardiac failure.

Marijuana

Marijuana impairs short-term memory, attention, and coordination, affecting tasks like driving. Long-term use can lead to respiratory issues, lung damage, and increased anxiety or paranoia. It affects brain development in adolescents, potentially reducing cognitive abilities. While often considered less harmful than other substances, marijuana can lead to dependency, particularly in younger users. High doses may cause hallucinations, panic attacks, or psychiatric symptoms in some individuals.

Club Drugs (MDMA, GHB, Rohypnol, Ketamine, etc.)

Club drugs vary widely in their effects, but common risks include dehydration, confusion, and impaired judgment. MDMA (Ecstasy) can cause dangerous increases in body temperature and heart rate, leading to heatstroke or heart failure. GHB and Rohypnol are depressants that can cause memory loss, impaired motor functions, and respiratory issues, making them particularly dangerous when mixed with alcohol. Ketamine, a dissociative anesthetic, can lead to confusion, hallucinations, and long-term memory or cognitive issues.

Narcotics (Heroin, Codeine, Morphine, etc.)

Narcotics are highly addictive substances that depress the central nervous system. They slow breathing and heart rate, leading to overdose risks, especially when combined with other depressants like alcohol. Long-term use can result in severe physical dependency, withdrawal symptoms, and deterioration of mental and physical health. Injection drug use also increases the risk of contracting infectious diseases like HIV and hepatitis.

Depressants (Barbiturates, Benzodiazepines, etc.)

Depressants slow brain function, leading to impaired coordination, slurred speech, and drowsiness. They are often prescribed for anxiety or sleep disorders but can be highly addictive. Misuse or overdose can result in shallow breathing, unconsciousness, or death, particularly when combined with alcohol or other drugs. Long-term use leads to tolerance, requiring higher doses and increasing overdose risks.

Hallucinogens (LSD, PCP, Mescaline, etc.)

Hallucinogens cause profound distortions in perception, thought, and emotion. Users may experience extreme mood swings, visual and auditory hallucinations, and confusion. While not physically addictive, these drugs can trigger dangerous behaviors due to the distorted sense of reality. In some cases, hallucinogen use can result in long-lasting psychological issues, such as persistent psychosis or flashbacks. Overdosing on hallucinogens can lead to seizures, heart failure, or death.

Stimulants (Cocaine, Amphetamines, etc.)

Stimulants increase heart rate, blood pressure, and energy levels, but they also lead to agitation, anxiety, and insomnia. Cocaine and amphetamines are highly addictive and can cause severe health problems, including heart attacks, strokes, and seizures. Chronic use may lead to hallucinations, paranoia, and violent behavior. Withdrawal symptoms include fatigue, depression, and intense cravings, making it difficult to quit.

Fentanyl

Fentanyl is a synthetic opioid significantly more potent than morphine or heroin. It is primarily used for pain management but has become a leading cause of opioid overdose deaths. Even small doses can cause severe respiratory depression, leading to death. Fentanyl is often mixed with other drugs, making its presence unpredictable and increasing the risk of overdose. Symptoms of fentanyl intoxication include drowsiness, confusion, and slow or stopped breathing.

Notification of Counseling Services

At the start of each semester, the Director of Special Services notifies all students, faculty, and staff of the counseling services available, free of charge. Counseling services are located in the Learning Resources Center, Room 106, open Monday through Friday from 8:00 a.m. to 5:00 p.m. For further information, individuals may call (405) 736-7373.

EMPLOYEE AND STUDENT DRUG USE POLICY

Adhering to federal and state laws, Rose State College takes a firm stand for an alcohol-free and drug-free learning and working environment. Criminal prosecution may be faced by students and employees who violate federal or state laws related to alcohol or drug possession, use, or sale. Infringements against College policies can also lead to institutional sanctions (Refer to College's Policies and Procedures Manual, 39th Revision, Chapter IV, Section 1-1. Drug-Free Campus Policy).

Unauthorized or unlawful possession, distribution, dispensation, sale, or manufacture of alcohol or controlled substances is prohibited on College premises or as part of any College activity. Disciplinary action can be faced by students for violations of alcohol or drug policy occurring off-campus or on private properties. Breaches of these policies can lead to disciplinary actions in correlation with College policies, statutes, rules, reemployment contracts, labor agreements, and regulations, up to dismissal or prosecution referral. Parents of students aged below 21 may be contacted by the College for violation of the Student Code.

Disciplinary Actions of College Employees

Possession or consumption of alcohol on premises or while on duty, failing to adequately perform assigned duties due to alcohol use, illicit or excessive use, or sale of drugs, narcotics, or intoxicants can warrant disciplinary actions for employees, up to job termination.

Employees struggling with alcohol or controlled substance issues are strongly encouraged to seek professional help and treatment. Confidential assistance or a list of counselling and referral programs can be obtained by dialing the Rose State College Counseling Office at 733-7373. Employees may, in certain cases, also be directed to seek this information by their supervisors.

Drug and Alcohol Testing of College Employees

Promoting a drug-free and safe working environment, the Rose State College Board of Regents mandates drug and alcohol testing for employees in line with federal and state laws (See College's Policies and Procedures Manual, 46th Revision, Chapter IV, Section 1-1. Drug-Free Campus Policy, (b) Alcohol and Drug Testing Policy applicable to RSC employees and applicants).

Rose State College employees may be subjected to post-accident drug and alcohol testing, for-cause testing, and post-rehabilitation testing. Employees handling activities directly affecting the safety of others may be exempted from random drug and alcohol testing and scheduled periodic testing. Employees working closely with individuals in the custody of the Department of Corrections or juveniles under the supervision of the Department of Human Services may also undergo random drug and alcohol tests (See College's Policies and Procedures Manual, 46th Revision, Chapter IV, Section 1-1. Drug-Free Campus Policy, (d) (2) (3) (4)).

Drug or Alcohol Convictions in the Workplace

Within five calendar days following a criminal conviction or Plea of Guilty or No Contest for drug-related or alcohol-related offenses, employees must notify their supervisors. If an employee of a federal contract or grant is convicted of a workplace drug or alcohol offense, the federal contracting or granting agency will be notified within ten days of receiving notice of the conviction by the College. To continue employment at the College, the employee may need to complete a drug rehabilitation program (See College's Policies and Procedures Manual, 41st Revision, Chapter IV, Section 1-1. Drug-Free Campus Policy, (a) (3)).

Violation of the Drug Policy by College Students

Dismissal from College may be warranted for students who unlawfully possess, use, distribute, sell, or manufacture drugs. In most cases, students involved in drug distribution may be dismissed. For further information about drug policies, please refer to the [2025-2026 Student Handbook](#) (pages 32-37).

To aid students affected by their own substance abuse or that of others, the College provides counseling and referral services. For confidential aid with these issues, contact the Counseling Center at 733-7373 or the Senior Director of Campus Operations at 736-0213.

Drug and Alcohol Use: State Laws

Oklahoma State law prohibits the selling or delivery of alcohol to individuals under the age of 21 or to inebriated persons. Violations can result in fines of up to \$1,000 and up to a year of jail time. It is also unlawful for an under-21 individual to present false identification to purchase alcohol.

Safety of Rose State College students and employees is prioritized, and violators of the college's policies around drug and alcohol use on-campus could face additional penalties.

Under Oklahoma State law, operating a vehicle with a blood or breath-alcohol concentration of .08 or above is heavily penalized. However, arrests can also be made at lower levels if driving is impaired. A fine of up to \$1,000, possible incarceration for up to a year, and suspending or revocation of the driver's license can happen for the first offense. After the first offense, the severity of the penalties increases for each subsequent offense. Transporting open alcohol containers in a vehicle is also illegal under Oklahoma State law.

Controlled substances' possession and sale are prohibited by the federal Controlled Substances Act and The Oklahoma Statute 63 O.S. § 2. Penalties are determined based on the drug type, drug quantity, number of previous offenses by the individual, and the individual's intentions about the drug. Convicting for possession of a controlled substance often leads to a 1 to 3-year prison sentence along with a fine of up to \$15,000. However, if the felony involves manufacturing, transferring to a minor, or more severe activities, then stricter penalties may be warranted.

Drug and Alcohol Use: Federal Laws

According to federal sentencing guidelines, federal courts can sentence simple-possession first offenders to one year in prison and a \$100,000 fine with penalties becoming significantly greater for subsequent convictions [21 U.S.C. 844 (a)]. A life imprisonment can result from a conviction for possession of a controlled substance that results in death or bodily injury. More than five grams of cocaine possession can trigger a sentence of 10 to 16 years in prison [U.S.S.G.S. 2D2.1 (b) (1)].

CODES OF CONDUCT, STANDARDS OF EVIDENCE, AND ACCOMMODATION

According to Oklahoma law, sex crimes involve the use of force or threat of force to sexually touch or sexually penetrate the victim's body or forcing the victim to touch or penetrate the offender's body. Threats of death or use of a weapon increases the severity of legal charges. Sex crimes can be prosecuted even if the victim knew the attacker; the victim did not fight back; the victim had consensual sex with the attacker previously; or the victim was intoxicated or unconscious.

Rose State College is committed to ensuring the safety and security for all members of the Rose State College campus community. Rose State College prohibits all forms of sexual misconduct, sexual harassment, and unlawful harassment in compliance with Title IX, The Violence Against Women Act (VAWA), and The Clery Act. Rose State College shall conduct investigations and disciplinary proceedings in a prompt, fair, and impartial manner for all sexual misconduct, gender discrimination, sex discrimination, unlawful harassment, and sexual violence complaints including: sexual assault; sexual harassment, domestic violence; dating violence; and stalking. Rose State College while conducting investigations and all disciplinary proceedings in resolution of complaints regarding sexual misconduct, gender discrimination, sex discrimination, unlawful harassment, and sexual violence shall:

1. Utilize the preponderance of evidence standard.

- A. The Student Code of Conduct (SCC) and the Sexual Misconduct, Sex Discrimination and Unlawful Harassment Policy (SMSDSHP) are enforced utilizing the preponderance of the evidence standard of review.

- B. All alleged violations of the SCC and SMSDSHP will be evaluated by examining the totality of the circumstances, the nature of the conduct, and the context in which the alleged conduct occurred by utilizing the preponderance of the evidence standard. The preponderance of the evidence standard shall be defined as; whether or not it is more likely than not that the actions in question were committed by the student as alleged in the complaint. The College bears the burden of proof and the burden shall not shift from the College to any other party.

2. Provide the parties with information regarding the College's policy on Confidentiality and Retaliation in response to a good faith reporting.

- A. Confidentiality.

Employees of the Human Resources/Affirmative Action Office, the Office of the Campus Operations, Security and Risk Management, and all responsible administrators receiving reports of sexual misconduct, sex discrimination and/or unlawful harassment shall maintain confidentiality of information received, except where disclosure is required by law or is necessary to facilitate legitimate College processes, including the investigation and resolution of sexual misconduct, sex discrimination and/or unlawful harassment allegations.

- B. Retaliation.

No reprisals or retaliation shall be allowed to occur as a result of the good faith reporting of charges of misconduct, discrimination, unlawful harassment and/or any other complaint. Any attempt to penalize or retaliate against a person for filing a complaint or participating in the investigation of a complaint of misconduct, discrimination, and/or unlawful harassment will be treated as a separate and distinct violation of this policy.

3. Ensure that investigations regarding sexual misconduct, gender discrimination, sex discrimination, unlawful harassment, and sexual violence by Rose State College shall be conducted by College officials who have received annual training in the areas of: sexual misconduct, sexual harassment, and unlawful harassment in compliance with Title IX, VAWA, The Clery Act, protection of victims' rights, and Confidentiality & Retaliation.

4. Permit the Complainant and Respondent during the investigation, the proceedings, and any other related meeting to have an advisor or support person present in compliance with the Policies and Procedures Manual and the Student Code of Conduct.

5. Upon completion of the investigation and all proceedings provide prompt written notice of the resolution and any change in such resolution to both the Complainant and Respondent in a reasonably simultaneous manner. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of disclosing the report or the results of any disciplinary proceedings.

6. Victim's Protection Order (VPO).

A. If you have been a victim of domestic or dating abuse; a victim of stalking; a victim of harassment; and/or a victim of rape, under 22 O.S. § 60.2 at www.oscn.net you may have the right to request a Victim Protective Order (VPO). VPOs are filed through the Oklahoma County Court Clerk's office located at 320 Robert S. Kerr, Oklahoma County, OK.

B. For questions regarding the process for filing a VPO, please contact the Oklahoma County Court Clerk's office at (405) 713-1735. For further assistance regarding a VPO, you may also contact the Midwest City Police Department (MWCPD) at (405) 732-2266 for non-emergency inquiries.

C. For emergencies regarding incidents of domestic or dating abuse; a victim of stalking; a victim of harassment; and/or a victim of rape call 911.

D. Rose State College honors and enforces Victim Protective Orders that are registered with the institution.

7. Provide a statement of preserving evidence

Midwest City Police Department (MWCPD) is in the best position to secure evidence of a crime. Physical evidence of a criminal sexual assault must be collected from the alleged victim's person within 120 hours, though evidence can often be obtained from towels, sheets, clothes, etc. for much longer periods of time. If you believe you have been a victim of a criminal sexual assault, you should go to the nearest Hospital Emergency Room (Alliance Health Midwest), before washing yourself or your clothing. The Sexual Assault Nurse Examiner (a specially trained nurse) at the hospital is usually on call 24 hours a day, 7 days a week (call the Emergency Room if you first want to speak to the nurse; ER will refer you). A representative from the College can also accompany you to the Hospital and law enforcement or Campus Security can provide assistance in arranging transportation. If a victim goes to the hospital, MWCPD will be contacted, but s/he is not obligated to talk to MWCPD or to pursue prosecution. Having the evidence collected in this manner will help to keep all options available to a victim, but will not obligate him or her to any course of action. Collecting evidence can assist the authorities in pursuing criminal charges, should the victim decide later to exercise it.

For the Victim: the hospital staff will collect evidence, check for injuries, address pregnancy concerns and address the possibility of exposure to sexually transmitted infections. If you have

changed clothing since the assault, bring the clothing you had on at the time of the assault with you to the hospital in a clean, sanitary container such as a clean paper grocery bag or wrapped in a clean sheet (plastic containers do not breathe, and may render evidence useless). If you have not changed clothes, bring a change of clothes with you to the hospital, if possible. Personnel will likely keep the clothes you are wearing as evidence. You can take a support person with you to the hospital, and they can accompany you through the exam, if you desire. Do not disturb the crime scene; leave all sheets, towels, and materials that may bear evidence for the police to collect.

8. Provide reasonable accommodation(s) and reasonable protective measure(s) as requested in compliance with the Sexual Misconduct, Sex Discrimination, and Unlawful Harassment Policy (SMSDSHP).

A. A victim of sexual misconduct, sex discrimination and/or unlawful harassment requiring reasonable accommodation should make their requests to the Title IX Coordinator. The AVP for Human Resources is the designated Title IX Co-Coordinator and is located at 6420 S.E. 15th Street, Midwest City, OK 73110, ADM Room 104 or by calling (405) 733-7933. A student may additionally contact the Title IX Co-Coordinator for student, and is located at 6420 S.E. 15th Street, SSB Room 208 or by calling (405) 736-0355. The Coordinator of Safety, Security, and Risk Management can be contacted regarding reasonable accommodations and reasonable protective measures, and is located at 6420 S.E. 15th Street, Midwest City, OK 73110, Susan Loveless Center Room 100B or by calling (405) 736-0329. The procedures set forth shall mirror the College's procedures regarding requests for reasonable accommodation under the Americans with Disabilities Act as outlined in (See College's Policies and Procedures Manual, Forty-sixth Revision, Chapter II, Section 1-69, (b), (1), (2)).

B. Reasonable accommodation may include, but is not limited to:

- i. Exam (paper, assignment, etc.) rescheduling;
- ii. Taking an incomplete in a class;
- iii. Transferring class sections;
- iv. Temporary withdrawal; and
- v. Alternative course completion options.

C. Reasonable protective measure may include, but is not limited to:

- i. Campus Security Escorts;
- ii. Campus Security Parking Accommodations; and
- iii. Other reasonable requested security/protective services.

9. Should you be a victim or witness of an alleged incident of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off-campus, the institution will provide the student or employee a written explanation of the student's or employee's rights and options.

Sex Offender Registration and Information

In accordance with the Oklahoma Sex Offender Registration Act (57 O.S. 583), convicted sex offenders are required to register with the Rose State College Campus Security Office within three days of becoming a full

or part time student. The offender must complete and update the Campus Security Sex Offender Registration Form and file it with the Campus Security Office within three days of any change in status, to include breaks in study and graduation. Registering with the Rose State College Campus Security Office does not satisfy the offender's responsibility to register with the law enforcement agency having jurisdiction over the offender's residence. For questions regarding compliance with the Oklahoma Sex Offender Registration Act, please contact (405) 736-0329.

The Oklahoma Department of Corrections maintains an online database that permits access of all registered sex offenders in Oklahoma. To learn the identity of registered sex offenders on or near campus, or anywhere in Oklahoma, visit the Sex Offender Database. Once there, you can search by city, county, or ZIP code. The Rose State College campus is located in Midwest City, in Oklahoma County, and in ZIP code 73110. The information in the database is collected by other agencies and Rose State College cannot guarantee the accuracy or the completeness of the information.

The Oklahoma Sex Offender Registry may be accessed at the following URL:

<https://sors.doc.ok.gov/ords/svorp/sors/r/sors/public-search>

The Federal Campus Sex Crimes Prevention Act requires colleges and universities to issue a statement advising the campus community where state law enforcement agency information concerning registered sex offenders may be obtained. The act also requires registered sex offenders to provide notice of each institution of higher education in that state at which the offender is employed, carries on a vocation, or is a student.

Information contained in the Sex Offender Registry shall not be used to commit a crime against an offender or to engage in illegal discrimination or harassment of an offender. Any person who improperly uses Sex Offender Registry information shall be punished by no more than 2 ½ (two and one-half) years imprisonment or by a fine of no more than \$1,000 or by both such fine and imprisonment.

APPENDIX A: ROSE STATE COLLEGE CAMPUS POLICIES ON SEXUAL MISCONDUCT, SEX DISCRIMINATION, AND UNLAWFUL HARASSMENT

The Policy & Procedures Manual

The following information is from the Rose State College Policy and Procedures (P&P) Manual (Forty-first Revision). The P&P is the campus-wide source of all official policy and procedures. When there are discrepancies in policy throughout campus publications, this manual shall be the ultimate authority in policy and procedure.

The two sections from the P&P that will be quoted for this report are in Chapter IV of the manual. These sections are:

- Section 1-5: Sexual Misconduct, Sex Discrimination and Unlawful Harassment Policy and Grievance Procedures.
- Section 7-1: Grievance Procedures

The campus Policy and Procedures manual, which also covers a wide array of other topics, can be accessed online in its entirety at the following URL:

<https://www.rose.edu/policies-procedures/>

Chapter IV, Section 7C-1: Sexual Misconduct, Sex Discrimination and Unlawful Harassment Policy and Grievance Procedures

(a) **Statement.** Rose State College does not discriminate on the basis of race, color, sex, age, national origin, religion, disability, genetic information, sexual orientation, gender identity or expression, status as a veteran, or any other protected class under federal or state law or regulation or any of its policies, practices or procedures. This includes but is not limited to admissions, employment, financial aid, and educational programs, activities, or services. The person designated to handle inquiries regarding the nondiscrimination policies, including issues of noncompliance, is the Senior Director of Payroll and Employee Relations, also the College's Title IX Co-Coordinator, 6420 SE 15th Street, ADM Room 104, Midwest City, OK 73110, (405) 733-7933. Complaints and grievances will be handled in accordance with the College's appropriate grievance procedures. Sexual misconduct and sexual discrimination are discussed in this section, including:

- (1) Domestic Violence;
- (2) Dating Violence;
- (3) Stalking;
- (4) Sexual Assault;
- (5) Sexual Harassment; and/or
- (6) Any other form of sexual misconduct as defined by law and available at www.oscn.net.

(b) **Positions of authority.** Since some members of the College community hold positions of authority that may involve the legitimate exercise of power over others, they have the responsibility to be sensitive to that power. Faculty and supervisors, in their relationships with students and subordinates, need to be aware of potential conflicts of interest and the possible compromise of their evaluative capacity. Because there is an inherent power difference in these relationships, the potential exists for the less powerful person to perceive a coercive element in suggestions regarding activities outside those appropriate to the

professional relationship. The responsibility of faculty and supervisors is to behave in such a manner that their words or actions cannot reasonably be perceived as sexually coercive, abusive, or exploitive.

(c) **Consensual relationships.** Consensual romantic or sexual relationships are not appropriate or allowed when they occur between an employee of the institution and a student for whom that employee has a professional responsibility. This includes students enrolled in courses for credit and student-workers. Exceptions will be addressed on a case-by-case basis (such as the spouse of an employee decides to enroll in school and thereby becomes a student would not be a violation).

(d) **Management responsibilities.** Employees or agents who

(a) supervise other employees, contractors, or agents

(b) teach or advise students

(c) have management authority related to a College sponsored activity, student program or activity are encouraged to:

(1) Engage in appropriate measures to prevent violations of this policy.

(2) Promptly notify the Human Resources/Affirmative Action Office after being informed of or having a reasonable basis to suspect a policy violation. In instances where the supervisor has taken independent action, the supervisor shall notify the Human Resources/Affirmative Action Office as soon as possible after taking such action. Additionally, any action taken may not disadvantage the complaining party.

(e) **Environment of study and work.** The College is committed to providing an environment of study and work free from sexual misconduct and sex discrimination and to ensuring the accessibility of appropriate grievance procedures for addressing all complaints regarding sexual misconduct and sex discrimination.

(f) **Definitions.** Offenses prohibited under the College's policy include, but are not limited to: sexual harassment; sex discrimination (including sexual orientation discrimination and gender identity or gender expression discrimination); non-consensual sexual intercourse (or attempts to commit same); non-consensual sexual contact, including fondling (or attempts to commit same); sexual coercion; domestic/dating violence; stalking; and sexual exploitation (or attempts to commit same).

(1) **Sex Discrimination:**

(A) Includes sexual harassment and is defined as conduct directed at a specific individual or a group of identifiable individuals that subjects the individual or group to treatment that adversely affects their employment or education, or institutional benefits, on account of sex or gender (including sexual orientation, IV-1-10 gender identity and gender expression discrimination). It may include acts of verbal, nonverbal or physical aggression, intimidation or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature.

(B) **Pregnancy Discrimination:**

(i) The College prohibits discrimination on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy or recovery therefrom. Discrimination on the basis of pregnancy should be reported in accordance with this policy. Employees, students, and visitors with questions regarding accommodations during pregnancy are encouraged to contact the Office of

Human Resources, 6420 S.E. 15th Street, Midwest City, OK 73110, ADM Room 104, (405) 733-7979. For complaints arising under this policy, please report to the Associate Vice President, Human Resources/AAO.

(2) **Sexual Harassment:**

(A) Sexual harassment is a form of sex discrimination.

(i) The College is committed to stopping, preventing and remedying sexual harassment whenever and however it occurs; however, in the interest of directing complainants to the appropriate grievance procedure, the definition of hostile environment is dissected to include the Civil Rights Act of 1964, Title VII definition as well as the Higher Education Act of 1972, Title IX definitions. (ii) For harassment to be actionable under Title VII the offensive conduct must be sufficiently severe or pervasive to alter the conditions of the victim's employment and create a hostile working environment. (iii) For harassment to be actionable under Title IX the offensive conduct must be severe and pervasive and objectively offensive, so the conduct effectively denies a person equal educational access. (iv) The distinction between the 2 definitions allows the College to balance Title IX enforcement with free speech and academic freedom.

(B) Hostile Environment Sexual Harassment includes conduct that is sufficiently severe, pervasive or persistent, objectively and subjectively offensive that it alters the conditions of education or employment or institutional benefits of a reasonable person with the same characteristics of the victim of the harassing conduct. Whether conduct is harassing is based upon examining a totality of circumstances, including but not limited to:

- (i) The frequency of the conduct;
- (ii) The nature and severity of the conduct;
- (iii) Whether the conduct was physically threatening;
- (iv) Whether the conduct was deliberate, repeated humiliation based upon sex;
- (v) The effect of the conduct on the alleged victim's mental or emotional state from the perspective of a reasonable person;
- (vi) Whether the conduct was directed at more than one person;
- (vii) Whether the conduct arose in the context of other discriminatory conduct;
- (viii) Continued or repeated verbal abuse of a sexual nature, such as gratuitous suggestive comments and sexually explicit jokes; and
- (ix) Whether the speech or conduct deserves constitutional protections.

(C) Quid Pro Quo Sexual Harassment exists when individuals in positions of authority over the complainant:

- (i) Make unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature; and

(ii) Indicate, explicitly or implicitly, that failure to submit to or the rejection of such conduct will result in adverse educational or employment action or where participation in an educational program or institutional activity or benefit is conditioned upon the victim's submission to such activity.

(D) For the purpose of this policy, unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature constitute sexual harassment if:

(i) Submission to the conduct is made either an explicit or implicit condition of employment or academic instruction/standing;

(ii) Submission to or rejection of the conduct is used as a basis for employment or academic decisions affecting the harassed employee or student;

(iii) The conduct, either by intent or by effect, creates an intimidating, hostile or offensive work or learning environment; or

(iv) Submission to or rejection of the conduct is used as a basis for providing the College's services or participation in the College's programs.

(E) Sexual harassment can occur in a variety of circumstances, including but not limited to:

(i) The individual who is sexually harassed, as well as the harasser, may be female or male and does not have to be of the opposite sex from the harasser;

(ii) The harasser can be the supervisor or the individual who is sexually harassed, an agent of the employer, a supervisor in another area, a coworker, a subordinate, a professor or a non-employee;

(iii) The individual who is sexually harassed does not have to be the specific person to whom the harasser directs the conduct which constitutes sexual harassment but must be a person who was directly affected by the offensive conduct of the harasser; and

(iv) Unlawful sexual harassment may occur without economic injury to or discharge of the individual who is sexually harassed.

(3) **Sexual Violence:**

(A) Physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent. A number of acts fall into the category of sexual violence, which includes, but is not limited to: rape, sexual assault, sexual battery, sexual misconduct and sexual coercion.

(i) Unwanted Sexual Intercourse is defined as any sexual intercourse or penetration of the anal, oral, vaginal or genital opening of the victim, including sexual intercourse or penetration by any part of a person's body or by the use of an object, however slight, by at least one person to another without consent or

against the victim's will. This definition includes rape and sexual assault, sexual misconduct, and sexual violence.

(ii) Unwanted Sexual Contact is any intentional touching, however slight, whether clothed or unclothed, of the victim's intimate body parts (primarily genital area, groin, inner thigh, mouth, buttock or) with any object or body part, without consent and/or by force. It also includes the touching of any part of a victim's body using the perpetrator's genitalia and/or forcing the victim to touch the intimate areas of the perpetrator or any contact in a sexual manner even if not involving contact of or by breasts, buttocks, groin, genitals, mouth or other orifice. This definition includes sexual battery and sexual misconduct.

(iii) Sexual Coercion is the act of using pressure (including physical pressure, verbal pressure, or emotional pressure), alcohol, medications, drugs, or force to have sexual contact against another person's will or with someone who has already refused. This includes rape, sexual assault, sexual exploitation, and sexual misconduct.

(4) Sexual Exploitation:

(A) Occurs when a person takes non-consensual, unjust or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior may not otherwise constitute one of the other sexual misconduct offenses.

(i) Examples of sexual exploitation include, but are not limited to:

(a) Non-consensual video or audio-taping of any form of sexual activity;

(b) Going beyond the boundaries of consent (such as letting a person or people hide in the closet to watch an individual have consensual sex without their partner's knowledge or consent);

(c) Sexually-based stalking or bullying;

(d) Engaging in non-consensual voyeurism, such as observing sexual acts or body parts of another from a secret vantage point;

(e) Knowingly transmitting a sexually transmitted disease or illness to another;

(f) Exposing one's genitals in a non-consensual circumstance or inducing another to expose his or her genitals;

(g) Prostituting another person; and

(h) Other forms of invasion of sexual privacy.

(5) Domestic and Dating Violence:

(A) Dating violence is violence between individuals in the following circumstances:

(i) The party is or has been in a social relationship of a romantic or intimate nature with the victim; and

- (ii) The existence of such a relationship shall be determined based on a consideration of the following factors:
 - (a) Length of the relationship;
 - (b) Type of relationship;
 - (c) Frequency of interaction between the persons involved in the relationship.
 - (B) Domestic Violence under College policy means violence committed by a:
 - (i) Current or former spouse of the victim;
 - (ii) A person with whom the victim shares a child in common;
 - (iii) A person who is cohabitating with or has cohabitated with the victim as a spouse;
 - (iv) A person similarly situated to a spouse of the victim under Oklahoma domestic or family violence laws;
 - (v) Any other person against an adult or youth victim who is protected from that person's acts under Oklahoma domestic or family violence laws.
 - (C) Additional information regarding what constitutes a "prior pattern of physical abuse" can be located at Oklahoma Penal Code, § 21-644, www.oscn.net.
- (6) **Sexual Assault:**
- (A) Assault as applied to an act when committed in a sexual context, in furtherance of sexual demands or based on sex stereotyping is defined in Oklahoma Penal Code as any willful and unlawful attempt or offer with force or violence to do a corporal hurt to another (Oklahoma Penal Code, § 21-641, www.oscn.net).
 - (B) Information regarding additional issues regarding battery and aggravated assault and battery, can be located at Oklahoma Penal Code, § 21-642, www.oscn.net.
- (7) **Stalking:**
- (A) Any person who willfully, maliciously and repeatedly follows or harasses another person in a manner that:
 - (i) Would cause a reasonable person or a member of the immediate family of that person as defined in subsection D of this section to feel frightened, intimidated, threatened, harassed, or molested
 - (ii) Causes the person being followed or harassed to feel terrorized, frightened, intimidated, threatened, harassed or molested.
 - (B) Any person who violates the provisions of subsection A of this section when:
 - (i) There is a permanent or temporary restraining order, a protective order, an emergency ex-parte protective order or an injunction in effect prohibiting the behavior described in subsection A of this section against the

same party, when the person violating the provisions of subsection A of this section has actual notice of the issuance of such order or injunction

(ii) Said person is on probation or parole, a condition of which prohibits the behavior described in subsection A of this section against the same party or under the conditions of a community or alternative punishment

(iii) Said person, within ten (10) years preceding the violation of subsection A of this section, completed the execution of sentence for a conviction of a crime involving the use or threat of violence against the same party, or against any member of the immediate family of such party.

(C) Evidence that the individual continued to engage in a course of conduct involving repeated unconsented contact, as defined in subsection D of this section, with the victim after having been requested by the victim to discontinue the same or any other form of unconsented contact, and to refrain from any further unconsented contact with the victim, shall give rise to a rebuttable presumption that the continuation of the course of conduct caused the victim to feel terrorized, frightened, intimidated, threatened, harassed, or molested.

(D) For purposes of this section:

(i) "Harasses" means a pattern or course of conduct directed toward another individual that includes, but is not limited to, repeated or continuing unconsented contact, that would cause a reasonable person to suffer emotional distress and that actually causes emotional distress to the victim. Harassment shall include harassing or obscene phone calls as prohibited by Section 1172 of Title 21 (Oklahoma Penal Code, § 21-1173, www.oscn.net) and conduct prohibited by Section 850 of Title 21 (Oklahoma Penal Code, § 21-1173, www.oscn.net). Harassment does not include constitutionally protected activity or conduct that serves a legitimate purpose;

(ii) "Course of conduct" means a pattern of conduct composed of a series of two (2) or more separate acts over a period of time, however short, evidencing a continuity of purpose. Constitutionally protected activity is not included within the meaning of "course of conduct";

(iii) "Emotional distress" means significant mental suffering or distress that may, but does not necessarily require, medical or other professional treatment or counseling;

(iv) "Unconsented contact" means any contact with another individual that is initiated or continued without the consent of the individual, or in disregard of that individual's expressed desire that the contact be avoided or discontinued. Constitutionally protected activity is not included within the meaning of "unconsented contact." Unconsented contact includes, but is not limited to:

- (a) Following or appearing within the sight of that individual;
- (b) Approaching or confronting that individual in a public place or on private property;
- (c) Appearing at the workplace or residence of that individual;

(d) Entering onto or remaining on property owned, leased or occupied by that individual;

(e) Contacting that individual by telephone;

(f) Sending mail or electronic communications to that individual;
and

(g) Placing an object on, or delivering an object to, property owned, leased or occupied by that individual.

(v) "Member of the immediate family," for the purposes of this section, means any spouse, parent, child, person related within the third degree of consanguinity or affinity or any other person who regularly resides in the household or who regularly resided in the household within the prior six (6) months (Oklahoma Penal Code, § 21-1173, www.oscn.net).

(8) **Other Misconduct:**

(A) Other forms of misconduct based on one's gender also constitute violations of this policy including, but not limited to: threatening or causing physical harm, extreme verbal abuse or other conduct which threatens or endangers the health or safety of any person.

(i) Gender-based intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another

(ii) Gender-based hazing, defined as acts likely to cause physical or psychological harm or social ostracism to any person within the Campus community, when related to the admission, initiation, pledging, joining or other group-affiliation activity

(iii) Gender-based bullying, defined as repeated and/or severe aggressive behavior likely to intimidate or intentionally hurt, control or diminish another person, physically or mentally (that is not speech or conduct otherwise protected by the First Amendment).

(9) **Consent:**

(A) Consent is the act of willingly agreeing to engage in sexual contact or conduct. Individuals who consent to sex must be able to understand what behavior they are providing consent. Under this policy, "No" always means "No," and the absence of "No" may not mean "Yes."

(i) Consent is informed, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable permission regarding the conditions of sexual activity.

(ii) Consent to one form of sexual activity cannot imply consent to other forms of sexual activity.

(iii) Previous relationships or consent does not imply consent to future sexual acts.

(iv) Consent cannot be procured by use of physical force, compelling threats, intimidating behavior or coercion. Coercion is unreasonable pressure for sexual activity.

(v) In order to give effective consent, one must be of legal age and have the capacity to consent. Incapacity may result from mental disability, intellectual disability, unconsciousness/sleep, age or use of alcohol, drugs, medication, and/or other substances. Consent given by someone who one should know to be, or based on the circumstances, reasonably should have known to be, mentally or physically incapacitated, is a policy violation. Incapacitation is a state where someone cannot make rational, reasonable decisions because he or she lacks capacity to give knowing consent (e.g. to understand the “who, what, when, where, why or how” of their sexual interaction). Incapacity may result from a level of alcohol ingestion that is more severe than impairment, being under the influence, drunkenness, or intoxication. It is less severe than alcohol poisoning or overdose. Whether a person is incapacitated is a subjective determination that will be made after the incident and considering all facts available. Individuals reach incapacitation at different points and because of different stimuli [and] exhibit incapacity in different ways.

Note: Indications of consent are irrelevant if the initiator knows or should reasonably have known of the incapacity of the other person.

(B) Use of alcohol, medications, or other drugs will not excuse behavior that violates this policy.

(g) **Examples of prohibited conduct.** Conduct prohibited by this policy may include, but is not limited to:

(1) Unwelcome conduct of a sexual nature.

(A) Conduct of a sexual nature may include, but is not limited to:

(i) Verbal or physical sexual advances, including subtle pressure for sexual activity, flirtation, advances and/or propositions of a sexual nature

(ii) Touching, pinching, patting or brushing against

(iii) Unwarranted displays of sexually suggestive or sexually explicit objects or pictures, including greeting cards, articles, books, magazines or cartoons

(iv) Comments regarding physical or personality characteristics of a sexual nature

(v) Sexually-oriented “kidding,” “teasing,” double meanings and jokes and

(vi) Sexual assault.

(2) Conduct of a sexual nature may constitute sexual harassment when the allegedly harassed employee has indicated, either orally or by his or her conduct, that it is unwelcome.

(3) If a person has initially welcomed such conduct by active participation, the person must give specific notice to the alleged harasser that such conduct is no longer welcome in order for the subsequent conduct to be deemed unwelcome.

(h) **State Law Definitions.** In accordance with the Violence Against Women Reauthorization Act of 2013 (VAWA), please

be advised that the following definitions are applicable should an individual wish to pursue Oklahoma state criminal or civil actions. These definitions may differ from the College's administrative policy definitions noted above. The College's administrative system and disciplinary procedures are separate and distinct from those available to someone in a state civil or criminal action. Individuals may seek administrative remedies in accordance with this policy and may seek state or federal civil or criminal remedies for the same incident through the applicable systems. The definitions set forth below are reviewed and verified annually; for a more frequently updated resource, please consult Oklahoma's State Court Network site (<http://www.oscn.net>).

Chapter IV, Section 7-1: Grievance Procedures

This policy covers the complaint and grievance procedures for all forms of discrimination, harassment, retaliation, or violence (whether on-campus or off-campus) that occur in conjunction with any Rose State College activity, athletic program, educational program, employment, or in conjunction with an application for enrollment or employment, as well as administrative redress for employee grievances not in the aforementioned categories. All students, faculty, staff, guests, vendors, and visitors are required to comply with this policy. This section covers formal complaints of discrimination based on various protected statuses and Administrative Grievances, for Informal Grievance Procedures, please see Sec. 7B of this policy.

Sec. 7A-1. General Statement

Rose State College (College) does not discriminate on the basis of race, color, sex, age, national origin, religion, disability, genetic information, sexual orientation, gender identify or expression, or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to admissions, employment, financial aid, and educational programs, activities, or services. If discrimination, including harassment or retaliation, occurs, the College will take prompt and appropriate corrective and remedial action.

The person designated to handle inquiries regarding the nondiscrimination policies, including issues of noncompliance, is the Associate Vice President, Human Resources/Affirmative Action Officer (A.V.P. HR/AAO), 6420 SE 15th Street, ADM Room 104, Midwest City, OK 73110, (405) 733-7979.

A. Duty to Report

Rose State College encourages any person who believes that they have experienced discrimination, harassment, retaliation, or violence based on a protected status in conjunction with a College activity, athletic program, educational program, employment, or in conjunction with an application for enrollment or employment, to report that complaint to the Associate Vice President, Human Resources/AAO (A.V.P. HR/AAO), 6420 SE 15th Street, ADM Room 104, Midwest City, OK 73110, (405) 733-7979.

Certain employees, who are prohibited from reporting due to privilege. The only “by-law” exempt employee at Rose State College is the certified Licensed Professional Counselor in Student Services.

B. Duty to Report Child Abuse

Oklahoma law requires every person having reason to believe that an unmarried child under the age of 18 is a victim of abuse (including sex abuse) or neglect to report the matter promptly to the Oklahoma Department of Human Services. Under Oklahoma law, “abuse” means harm or threatened harm or failure to protect the health, safety, or welfare of a child by a person responsible for the child’s health, safety, or welfare. This includes, but is not limited to, nonaccidental physical or mental injury, sexual abuse, or sexual exploitation. Under Oklahoma law, no privilege or contract shall relieve any person of this duty to report. The duty to report is individual, and no employer, supervisor, or administrator shall interfere with any person’s reporting duties or in any manner discriminate or retaliate against any person who in good faith reports suspected child abuse or neglect.

Sec. 7A-2. Initial Report and Complaint Procedure

A. The Initial Report

When the A.V.P. HR/AAO receives notice, either from the complainant or from any other source, that discrimination based on a protected status has possibly occurred, the A.V.P.HR/AAO will:

1. Determine the identity and contact information of the complainant (whether that be the reporting party, the alleged victim, a College representative, or other party).
2. Identify the portions of this policy allegedly violated.
3. Advise the complainant that both formal and informal resolution options are available.
4. Review the process of a formal complaint.
5. Respect complainant's wishes not to pursue a complaint; formal or informal (see 7ABb-ii for possible exceptions).
6. Advise the complainant that they may file a non-employment-based complaint with the Office for Civil Rights of the U.S. Department of Education (OCR), where such a complaint is within that agency's jurisdiction.
7. If the complaint is employment-related, advise the complainant that they may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC), where such a complaint is within that agency's jurisdiction.
8. If the complainant alleges abuse or neglect of a child under the age of 18, report the matter promptly to the Oklahoma Department of Human Services

B. Complaint Procedure

1. All complaints involving discrimination based on a protected status shall be reviewed, investigated, and adjudicated only by persons with training or experience in:

- a. Title VI, Title VII and ADA grievances.
- b. The College's relevant grievance procedures.
- c. Relevant confidentiality requirements.

2. Submitting a Complaint

a. Timeliness

Generally, any complaint should be filed with the College within 180 calendar days of the alleged discrimination, harassment, or retaliation, to facilitate the process of gathering facts and evidence. Complaints that are filed after that time will be reviewed, but a lengthy lapse of time may make an investigation difficult.

b. Obtaining the Complaint Form

Complaint Forms (ADM 44 - Discrimination/Harassment Complaint Form) are available online through the intranet Forms Handbook, the Title IX Resources page at www.rose.edu, and from the A.V.P. HR/AAO. The complaint shall include the following information:

- i. The complainant's name and address.
- ii. The College program or activity in which the complainant was participating, or attempting participation, at the time of the alleged misconduct.

- iii. The name and title of the person(s) against whom the complaint is filed.
- iv. A statement describing the specific acts allegedly committed by the respondent.
- v. The specific dates on which those alleged actions took place.
- vi. A clear and concise statement of any other facts that form the basis of the complaint.
- vii. If the complainant is not the alleged victim, the complainant's relationship, if any, to the person who experienced the prohibited conduct.
- viii. A clear and concise statement of the remedy the complainant seeks.
- ix. The complainant's signature.

c. Submitting the Complaint Form

The signed complaint form must be submitted to the A.V.P. HR/AAO by mail, electronic mail, or in person; 6420 SE 15th Street, ADM Room 104, Midwest City, OK 73110, (405) 733-7933, knorton@rose.edu.

3. Review of the Complaint

Within 5 business days or less of receiving the complaint, A.V.P. HR/AAO shall review the complaint to determine whether:

- a. The written complaint is complete.
- b. The alleged misconduct took place while the complainant was participating in, or attempting to participate in, a College program activity and the allegations are against someone in the U.S.
- c. The written complaint alleges conduct prohibited by this Policy.
- d. The complainant experienced the alleged conduct, is a personal representative of someone who experienced the alleged misconduct, or witnessed the alleged misconduct.

4. Anonymity and Confidentiality

The College does not reveal information about complaints of discrimination except as necessary to fulfill its legal obligations. Potential complainants are sometimes reluctant to pursue a complaint if their names will be revealed. The inability to reveal the name of a complainant or facts that are likely to reveal the identity of the complainant can severely limit the ability of the College to respond.

If a complainant insists that his or her name not be revealed, the A.V.P. HR/AAO or designee should take all reasonable steps to investigate while maintaining the complainant's confidentiality and respond to the complaint consistent with the complainant's request as long as doing so does not jeopardize the rights of other students or employees.

5. Dismissals of Complaints

The College will dismiss complaints with allegations failing to place the complainant in a protected category. The College may dismiss a complaint if:

- a. The complainant gives the A.V.P. HR/AAO written notice to withdraw the complaint.
- b. The respondent is no longer affiliated with the College.

- c. There are circumstances preventing the A.V.P. HR/AAO or designee from collecting necessary evidence to make a determination of responsibility.

7A-3. Investigations

A. Selection of the Investigator

If the A.V.P. HR/AAO determines the written complaint is sufficient, within two (2) business days or as soon as possible, the investigation will be assigned to a qualified designee. The investigator selected will be a neutral individual, who is not party to the complaint, the complainant, or the accused, nor should the investigator have a vested interest in the outcome of the investigation. The A.V.P. HR/AAO may choose to personally investigate some complaints.

Both the complainant and respondent are entitled to the same rights regarding representation and supportive services, as well as other rights throughout the investigation and into the live hearing processes.

B. Rights of the Parties

1. Representation

- a. Parties shall be entitled to be accompanied by a representative or advocate (such as a colleague, parent, student advocate, etc.) of their choosing at all complaint meetings.
- b. Representatives and advocates shall act as a supporting presence for the party but may not participate directly in the process.
- c. Representatives and advocates are prohibited from disclosing any information concerning the content of a meeting or hearing.
- d. Representatives and advocates are prohibited from any retaliatory conduct related to information disclosed during a meeting or hearing.
- e. Legal advisors and attorneys may be present during any meetings but cannot participate directly in the process. They may only interact with the party they are representing.

2. Supportive Services
