

# Dental Hygiene

## Associate in Applied Science Degree

### CAREER INFORMATION

A Registered Dental Hygienist is a licensed professional who provides preventive, therapeutic, and educational services for dental patients. The Dental Hygienist performs services as an auxiliary to and under the supervision of a dentist and is the only dental auxiliary licensed to perform specialized patient services. Hygienists use their knowledge and clinical skills to provide dental care to patients and their interpersonal skills to motivate and instruct patients on methods to prevent oral disease and maintain oral health.

### APPLICATION PERIOD

January 5– February 6, 2026. Applications can be downloaded from the program website during the application period.

### CLASS SIZE

12 students

### PROGRAM LENGTH

Upon admission to the program, the course of professional study is two years in length, beginning in August. However, there are prerequisite courses that must be completed before beginning the program.

### PROGRAM HOURS

Professional courses and clinical assignments are offered during the day only. General education and support/related courses may be offered during the day, evening, or online.

### CERTIFICATION/ LICENSURE ELIGIBILITY

Upon completion of the program, the student receives an Associate in Applied Science degree and is eligible for licensure. Graduates must take a comprehensive written National Board Examination, regional clinical examination, and written examination on the State Dental Act administered by the Oklahoma Board of Dentistry. Licensure is required for employment as a dental hygienist.

### ACCREDITATION

The Dental Hygiene Program Associate in Applied Science Degree at Rose State College is accredited by:  
Commission on Dental Accreditation, American Dental Association  
211 East Chicago Ave.  
Chicago, IL 60611-2678  
(800) 621-8099  
[www.ada.org/coda](http://www.ada.org/coda)

## PROGRAM REQUIREMENTS AND COURSE SEQUENCING

All prerequisite courses must be completed with a minimum grade of "C" or higher, although "A" is strongly recommended due to the competitiveness of the program. The courses may be in progress during the spring and summer sessions but must be completed prior to beginning the professional courses.

### GEN ED & SUPPORT/RELATED

ENGL 1113 English Comp I

### PROFESSIONAL COURSES

First Fall Semester (8 cr. hrs.)  
HSDH 1105 Dental Hygiene I  
HSDH 1113 Dental Histology,  
Embryology, & Anatomy

First Spring Semester (14 cr. hrs.)  
HSDH 1205 Dental Hygiene II  
HSDH 1213 Dental Materials  
HSDH 1222 Dental Radiography  
HSDH 1241 Periodontics I  
HSDA 1243 Advanced Clinical Procedures

Second Fall Semester (14 cr. hrs.)  
HSDH 2305 Dental Hygiene III  
HSDH 2312 Community Dental Health I  
HSDH 2323 Pathology  
HSDH 2331 Periodontics II  
HSDH 2343 Pharmacology/Pain Control

Second Spring Semester (12 cr. hrs.)  
HSDH 2405 Dental Hygiene IV  
HSDH 2413 Community Dental Health II  
HSDH 2423 Practice Administration  
HSDH 2431 Periodontics III

+Check course description for prerequisite that must be met

\*Courses must be completed within seven (7) years of the spring semester of application

#Only needed as pre-requisite for Human Anatomy

Rose State College will provide reasonable accommodations to persons with disabilities in order for students to have access to educational programs and services. Students requiring accommodations should contact the Student Access Services (SAS) office at least one week prior to the need for accommodations. SAS, located in the Learning Resources Center, Room 106, can also be contacted at (405) 733-7373.

## **APPLICATION PROCEDURE**

**(Applications accepted January 5 - February 6, 2026)**

1. **Apply to Rose State College** (if not currently enrolled).
  - Applicants must be admitted to the college through the Admissions office before application to the Dental Hygiene Program can be made.
  - **Official college transcripts** of coursework not completed at Rose State College must be submitted to the Admissions office.
  - Submit a request for a **degree audit** for the Dental Hygiene Program. (Only required if student has out-of-state credits) Information regarding the degree audit and how to submit can be accessed online. <https://www.rose.edu/content/admissions-aid/admissions-records/degree-audit/>
2. **Submit the Dental Hygiene application** to include:
  - **College transcript copies**: Submission required with application only if currently enrolled in pre-reqs at another school.
  - **Dental Hygienist Observation Form**: The dentist must sign, verifying dates and times.
  - **If applicable**, signed employment verification form.
3. **Interview**: Interviews will be scheduled in late March. Selection for interview is based on the point criteria found on the next page.

Applicants are notified of acceptance by **May 15**.
