Consortium Agreement Information

Rose State College’s Financial Aid Consortium Agreement allows students who are enrolled at RSC and taking courses at other eligible institutions to receive funding for the combined enrollment. Courses taken at eligible institutions should apply to the degree the student expects to receive from RSC. Students should seek assistance from Academic Advisors to determine if classes will apply to their degree plan. **Students must notify RSC if he/she drops the course(s), withdraws, stops attending, or changes enrollment at the other institution at any time during the semester.** As stated in the RSC Academic Progress Policy, academic progress is reviewed every semester; therefore it is the student’s responsibility to provide the Rose State College Financial Aid Office and the RSC Office of Admissions and Records his/her transcript from the eligible institution at the end of the semester.
