Log in Instructions:

Students will log in to their college email account at <https://www.outlook.com> in a web browser. Your student email address is in the format `firstname-lastname@raider.rose.edu`. If you have both a first and last name in common with another student, to avoid duplicate email addresses, a sequenced number will follow the name in the email address. To verify your email address, you may need to log into the OASIS system and navigate within OASIS following the path: Self Service > Campus Personal Information > Email Address.

Your email username is the part of your email address before the @ symbol. You must use your full email address to log in. Your initial password is your birth date in MMDDYYYY format. Note that the system requires you change your password on the first log in.

EXAMPLE: John Smith — Born on July 1, 2008

Email: `john-smith@raider.rose.edu`

Password: 07012008

For assistance or information, go to www.rose.edu and search for Student Login. For assistance contact Information Technology at 405-733-7356.

Rave Mobile Safety:

Rose State College has partnered with Rave Mobile Safety and AT&T to provide an emergency notification service in support of the Jeanne Clery Act. Our goal is to communicate vital information to each member of our community within minutes of an emergency. After enrolling at Rose State College, your name and email address will be automatically added to Rave. The Rave service, under the direction of Rose State safety officers and administrators, will send you an email and/or a text message in the event of emergencies and weather closures. Including the contact information you register with Rose State College, you may choose to have up to 6 contacts total per person (such as daycare, family or friends) who can all be notified when a Rave alert is sent. To manage your account, please visit: <https://www.getrave.com/login/rose>

Single Sign-On (SSO) and Multi-Factor Authentication (MFA):

Rose State College has partnered with QuickLaunch to provide faculty, staff, and students with Single Sign-On (SSO) capabilities. This secure and convenient feature allows users to access commonly used college systems - such as the PeopleSoft/OASIS Enrollment System, Raider Email, and Canvas LMS - through a single portal without needing to log in separately to each service. Additionally, users can easily reset or change their login password through the SSO portal without contacting the Information Technology Services department. With SSO, you only need to remember one password for accessing key college resources.

To enhance account security, Multi-Factor Authentication (MFA) was enabled. MFA adds an extra layer of protection by requiring a secondary verification method, such as a code sent to your mobile phone.

For more information and to access the login portal, visit: <https://rose.edu/current-students/student-login>

PLACEMENT COMPONENTS

To ensure which classes are right for you, we need to determine your math, reading and writing skills. At Rose State College, we use multiple measures for placement, including unweighted high school GPA, SAT/ACT, transfer or AP credit, and our on-campus placement test, Next-Generation ACCUPLACER (within 3 years).

FOR NEW STUDENTS 21 AND UNDER:	
HIGH SCHOOL GPA	- An unweighted GPA of 3.6 and above will meet the Math placement requirement for Business, STEM, and Undecided Majors needing to take the College Algebra or Functions & Modeling. An unweighted GPA of 2.7 and above will meet the Math placement requirement for Non-STEM Majors. An unweighted GPA of 3.4 will meet the English and Reading placement requirements for all majors. See advisor for more details. - The GPA must be within 3 years of graduation. - High School seniors can use the cumulative unweighted GPA after seven high school semesters have been completed.
SAT/ACT	If you have already taken the SAT or ACT, you may be placed into college-level courses based on: - An SAT score of 510+ for Math or 510+ for Evidence-Based Reading and Writing - ACT subject scores of 19+ - An SAT score of 390-500 for Evidence-Based Reading and Writing or an ACT score of 13-18 in English will result in placement into a college-level course with a recommended corequisite pairing For a more detailed breakdown of placement scores, go to https://rose.edu/current-students/student-services/academic-advisement/ to connect with an advisor.

If you are not satisfied with your initial placement based on these components, you may take the Next-Generation ACCUPLACER (more details below).

FOR NEW STUDENTS OVER 21 OR WITH TRANSFER CREDIT:	
TRANSFER/ AP CREDIT	If you have already earned college credit or an associate degree from another college or university, you may be placed based on that information. Visit with an advisor to discuss the possibility of using transfer or AP credit for placement. Go to https://rose.edu/admissions/get-started/admission-requirements/ to connect with an advisor, or come by for a walk-in appointment in the Student Services Building, Room 100.
ACCUPLACER	If you do not have a cumulative high school GPA that satisfies the assessment requirement, a current SAT/ACT score, or previous college credit, you will be required to take the Next-Generation ACCUPLACER placement test. Scores are accepted up to 3 years and determine which math, reading, and writing classes you should take. To ensure the best placement, students are strongly encouraged to spend time preparing before taking this assessment. Go to https://rose.edu/current-students/student-resources/tutoring-center/accuplacer-resources/ for more information on how to prepare before taking the assessment.

The ACCUPLACER has 3 sections. For current RSC students, there is no charge the first time they complete the assessment in each section, but all future attempts will be \$7 per section.

You may retest in all areas or in math, reading, and writing individually.

Tuition & Fees

Students can print their Student Schedule Bill for any term they are enrolled in by signing into OASIS (Self Service > Student Center under the Finances section click on Schedule Bill). Leave the term blank and click Search (a listing of all semesters should appear for the student).

Payment of Tuition & Fees by Mail

To avoid the lines during the last few days to pay, students are encouraged to PAY BY MAIL at the earliest possible date. All payments by mail must be received by the Cashier's Office by the deadline date to avoid any penalties. All checks and money orders should include the student's name and student number for proper credit.

Payment of Tuition & Fees in Person

Students are also encouraged to come in as early as possible when paying in person. Students paying in person may pay by cash, check, money order, and MasterCard, Visa or Discover credit cards. EXCEPT: Checks are not accepted for payment of prior debts or from a person who has written a bad check to the College. Accounts not paid will be sent to collection 30 days from the last day of the semester.

Fee Refund/Credit Policies

Students are not officially withdrawn unless a withdrawal form is processed through the Admissions & Records office.

Students who enroll in classes and decide not to attend must withdraw from those classes immediately to release space for other students who are registering. The amount of refund due or credit applied to the student is determined by the following policies. These policies are applicable to tuition and other fees charged for College classes.

1. Eligibility: To be eligible for a refund or credit, a student must officially withdraw from classes during a refund period by submitting the appropriate form ("Drop/Add" or "Complete Withdrawal"). Neither refunds nor credits are given to students who stop attending class and do not process the appropriate forms.
2. Regents for Higher Education Refund Policy: The refund policy with respect to tuition and other fees collected from students at institutions shall be as follows:

Changes in schedules during the defined add/drop period will result in full charges for courses added and full credit for courses dropped. No refunds will be made after the add/drop period for that session except as stipulated for enrollment of Title IV recipients. Deadlines for dropping and adding courses appear in this semester schedule in the "Calendar" section. Drops and adds are processed on the same form.

Debts to the College

Refunds issued to students are reduced by any amount the student owed to the College for the current term. When a refund is issued, students should review their account to determine if any past obligations are still owed to the College. Students who have unpaid accounts, either for current semester charges or any other debts to Rose State College, and whose total balance is \$500 or more are not permitted to enroll in subsequent semesters. Students with account balances below \$500 are eligible to enroll.

Federal Title IV Return of Funds Policy

Federal law now specifies how a school must determine the amount of federal financial aid* that a student earns if he/she withdraws, drops out, is dismissed, or takes a leave of absence prior to completing more than 60% of a payment period. Students who do not receive a passing grade in any class must be treated as unofficially withdrawn and will be subject to the above policy. Federal law specifies that such a student must be assumed to have stopped attendance at the mid-point of the semester.

1. The amount of federal financial aid assistance that the student earns is determined on a pro-rata basis. Once the student has completed more than 60% of the payment period, all financial aid assistance is considered to be earned.
Percent earned = Number of calendar days completed up to the withdrawal date** divided by total calendar days in the payment period — excluding any scheduled breaks that are at least five days long.
Percent unearned = 100% minus percent earned
2. When a student receives federal financial aid in excess of earned aid,
The school returns the lesser of:
 - Institutional charges (tuition and fees)*** multiplied by the unearned percentage, or
 - Title IV federal financial aid disbursed multiplied by the unearned percentage.The student returns:
 - Any remaining unearned aid from the funds that he/she received as financial aid disbursements.
 - Any loan funds are repaid in accordance with the terms of the promissory note (that is, scheduled payments to the holder of the loan over a period of time).
 - Any grant amount the student has to return is a grant overpayment, and arrangements must be made with the school or Department of Education to return the funds.
3. The student is billed for funds the College is required to repay. Federal law requires that the calculation assume that federal aid was used first to pay for education costs. Consequently, a student may owe a payment to the College for educational costs—even if the student received a

tuition waiver or other scholarship or assistance. The student's account with the Business Office will reflect any amount owed to the College. Student accounts not paid promptly will be charged a late fee.

4. Students who do not receive a passing grade in any class for a given semester must be treated as unofficially withdrawn and will be subject to the above policy.

*Funds must be returned in the following order:

- Unsubsidized Direct Stafford loans (other than PLUS loans).
- Subsidized Direct Stafford loans.
- Direct PLUS loans (parent or graduate).
- Federal Pell Grants for which a return of Title IV funds is required.
- Iraq and Afghanistan Service Grant, for which a return of Title IV is required.
- FSEOG for which a return of Title IV funds is required.
- TEACH Grants for which a return of Title IV funds is required.

**Withdrawal date is defined as the actual date the student begins the institution's withdrawal process, the student's last date of academically related activity, or the midpoint of the payment period for a student who leaves without notifying the institution.

***Book charges may not be included in institutional costs; however, a student remains financially responsible for any charges made by him/her in the College Bookstore.

Financial Assistance

FINANCIAL AID, Student Services Building, Room 200 — 405-733-7424

HOURS: Monday-Friday 8 a.m. - 5 p.m.

Federal School Code/Application Procedures

The Free Application for Federal Student Aid is the student's first step in the process of requesting aid. The application is available online (www.fafsa.gov). The application asks students to identify their school(s) which they wish to receive copies of their results. Spring 2027 applicants need to complete the 2026-2027 FAFSA.

The Rose State College school code is **009185**. Be sure to identify Rose State College as a choice; otherwise, we will not receive your financial aid information from the U.S. Department of Education. If the Rose State College school code has not been reported, your application will have to be corrected to add Rose State College as a school on your FAFSA. This will delay processing of your application. Once you have applied, the federal processor will send you a FAFSA Submission Summary. The results of your FAFSA will be transmitted to RSC, if you have listed RSC as a school choice.

Verification Procedures

Some students are selected by the U.S. Department of Education or the College for a process called verification. If a student is selected for verification, RSC is required to verify the information you have reported on the FAFSA. Such items as federal income tax records and verification of the number of family members would normally be required.

Not all students are selected for verification. If a student, however, is selected for this process, this step must be completed before assistance is awarded. If any of the information requires correction, the student will be informed.

The Award Process

Once your records have been received from the U.S. Department of Education, your application will be reviewed by financial aid staff for completeness. Normally, your application will then be processed for an award. When you receive your award letter, it will summarize the amounts and types of assistance for which you are eligible. An Award Information Sheet is available online for more information. Usually, the application and awarding process takes from 6-8 weeks. This time is necessary for both the federal processor and the College to review your application and certify your funds.

Ability to Benefit (ATB)

Beginning July 1, 2012, all financial aid recipients must have one of the following in order to be eligible for Federal Title IV student financial aid:

- High school diploma
- GED (General Education Development) certificate

Students who do not have a high school diploma or GED and prior to 7-1-12 were enrolled in an academic program that was eligible for Federal Title IV assistance may still qualify for federal aid. Contact the Financial Aid Office for more information.

The program supplements all campus degree programs by offering opportunities across coursework to develop enhanced knowledge and skills in their desired fields of study. Students contract with faculty through their coursework to complete additional in-depth and specialized study to earn Honors credit.

Find additional information regarding the Honors Program and eligibility requirements here: <https://rose.edu/academics/academic-honors-opportunities/honors-program/>

You can also email the Honors Program at honors@rose.edu or call 405-733-7515.

High school juniors and seniors who meet policy requirements can participate in concurrent enrollment. Concurrent students may not enroll in developmental (0-level) coursework offered by Rose State College designed to remove high school deficiencies.

Students enrolling in concurrent college classes may be awarded dual credit through their high school. Please contact your high school counselor or appropriate official for detailed information.

Concurrent students have several options for taking courses. Students may attend classes offered on the Rose State College campus, online, and courses offered off the Rose State College campus or via Interactive Television (ITV).

The following documents are required for application to the Concurrent Enrollment Program for high school students.

1. Application for Concurrent Enrollment
2. Application for Admission
3. Official High School Transcript
4. ACT Scores
5. Documentation of Student Vaccination Status
6. Concurrent Enrollment Student Contract

Please contact the Office of Academic Outreach for admission, class schedules, and enrollment assistance at 405-733-7951 or 405-736-0350 or visit the office located in the Student Service Building, Room 100A. Rose State College Foundation Scholarships

The Rose State College Foundation awards scholarships to students attending or planning to attend Rose State College. These scholarships are awarded on the basis of academic achievement and/or financial need. Each scholarship has its own criteria. To receive consideration for a Rose State College Foundation scholarship, applicants must complete an on-line application. Go to www.rose.edu/scholarships and click on the "Apply Here" link. High school and transfer students need to provide the Office of Admissions and Records with a current transcript in order for your application information to be verified. **Incomplete applications will not be considered.** For additional information, please contact the Foundation Office at 405-736-0315.

The Foundation Scholarship Application is available January 1-December 31 each year. Each scholarship has specific criteria that must be met for consideration for an award. The individual criteria are listed on the website.

The four main priority deadlines throughout the year are:

- March 1 — Leadership Scholarships
- April 1 — Division Scholarships
- July 15 — Health Science Scholarships
- November 1 — Spring Scholarships

Who can apply?

Any student planning to attend or currently attending Rose State College can apply. Most scholarships require at least a 2.5 GPA to qualify.

How do I apply?

The application process is accessible online. To apply, go to <https://rose.edu/affordability/scholarships/division-specific-foundation-and-college-funded-scholarships/> and click on the "Apply Here" link on the left sidebar. Once the application is completed, submit the application. To confirm submission, the student will receive a confirmation email for their records.

Do I fill out an application for every scholarship?

No, to apply for all Rose State College scholarships and tuition waivers, students will only submit ONE application, the General Scholarship Application, for the academic year.

How soon will I find out if I received a scholarship?

There is not a specified date for notification of acceptance. As soon as each committee makes their decisions, students will be notified via the email provided on the application. Typically this occurs within six to eight weeks of the scholarship closing date.

How are scholarships chosen?

A computerized matching process ensures that each applicant is reviewed for scholarships for which they qualify. A student may qualify to be considered for numerous scholarships. Various committees made up of Rose State College faculty and staff members review each application and select recipients. A student can only receive one Foundation scholarship per semester, but if more than one is awarded, the student will receive the award with the highest dollar amount.

Off-Campus & Partnership Programs

UNIVERSITY OF OKLAHOMA—AIR FORCE RESERVE OFFICER TRAINING CORPS (AFROTC)

AFROTC is a nationwide program that allows students to pursue commissions (become officers) in the United States Air Force (USAF) while simultaneously attending college. AFROTC classes are held on college campuses throughout the United States and Puerto Rico; students can register through normal course registration processes. AFROTC consists of four years of Aerospace Studies classes (Foundations of the USAF, Evolution of USAF and Space Power, Air Force Leadership Studies, and National Security Affairs/Preparation for Active Duty), and a corresponding Leadership Laboratory for each year (where students apply leadership skills, demonstrate command and effective communication, develop physical fitness, and practice military customs and courtesies). College students enrolled in the AFROTC program (known as “cadets”) who successfully complete both AFROTC training and college degree requirements will graduate and simultaneously commission as Second Lieutenants in the Active Duty Air Force.

The AFROTC program is currently offered at the University of Oklahoma, but they have a crosstown agreement that allows our students to enroll in AFROTC and become full-fledged cadet participants. For more information on AFROTC course descriptions, please review http://www.ou.edu/enrollment/course_catalog.html and browse for the AERO classes.
