C. Articulation Agreement Follow-Up Procedures

- Procedures for reviewing, updating, modifying, or terminating agreement:**
When either of the degree programs involved in this agreement undergoes a change, the agreement will be reviewed and revised accordingly by faculty from each institution's respective departments, selected by their chairpersons/program directors.
- Procedures for evaluating agreements, i.e., tracking the number of students who transfer under the articulation agreement and their success:** At the beginning of the academic year, e.g., AY2024-25, the BT ATL Program Coordinator will provide the sending college with the following information – a) the number of students from the sending college who applied to the program; b) the number of students from the sending college who were accepted into the program; c) the

number of students from the sending college who enrolled; and d) the number of students from the sending college who graduated with a BT ATL degree in 100 percent and 150 percent completion.

3. **Sending and receiving institution procedures for publicizing agreement, e.g., college catalogs, transfer advisors, websites, etc.:** This articulation agreement will be publicized on the websites of both the sending and receiving institutions. Transfer advisors at the sending college will promote this agreement with eligible students.

ⁱ The minimum overall GPA required for graduation is a 2.50.
